Tammy,

I've been waiting and waiting for you to move. But I keep backing out. I guess I can take it for, at least, three more years. Oh yes I forgot to congratulate you on your sex-change operation, it was very successful. I hope you and Mr. Miller never ever get a divorce, I'd hate to have to steal him from you. Anyway, you know I am just kidding. I wish you lots of love.

Friends always,

*17TH EDITION OF THE  
YEARBOOK OF GAREY  
HIGH SCHOOL  
POMONA, CALIFORNIA*

## 1979 SAGA DEDICATED TO VIKING ATHLETES AND COACHES

THE 1979 SAGA PROUDLY DEDICATES THIS YEAR-BOOK TO GAREY'S HIGHLY SUCCESSFUL ATHLETIC TEAMS. ALTHOUGH IT IS NOT SAID OFTEN ENOUGH, GAREY HIGH SCHOOL TURNS OUT MORE PROFESSIONAL ATHLETES THAN ANY OTHER HIGH SCHOOL IN THE VALLEY. THE FINE GAREY COACHES AND FACULTY HAVE CONTRIBUTED TO GAREY'S SUCCESSES.

SOME OF THE GAREY ATHLETES WHO HAVE BECOME PROS ARE GREG BALLARD, PRO BASKETBALL; CORNELL WEBSTER, PRO FOOTBALL; ALBERTO DAVILA, BOXING; ALBERTO SANDOVAL, BOXING; CLAUDIE MINOR, PRO FOOTBALL; AND GARY DAVIS, PRO FOOTBALL, SHOWN ON THE OPPOSITE PAGE, CARRYING THE BALL FOR THE MIAMI DOLPHINS.

## Greg Ballard

Dear Editor:

I was recently in Israel and had the very pleasant opportunity to see and briefly speak with a former student of mine, Greg Ballard. Greg, from Garey High School and now a professional basketball player with the world champion Washington Bullets, was in Israel to play an exhibition game with Macabee, the national basketball team of that country.

It has been gratifying for me as I'm sure for many others to follow Greg's successful career; and to see his picture in the international Jerusalem Post shaking the hand of Israel's President, Yitzhak Navon, was most exciting.

Over the years in education and social service, I've met and worked with many young people. I've witnessed many youth striving with the goal to become professional athletes. Very few have and those who have done so have exhibited qualities far beyond physical prowess. Certainly this has been the case with Greg Ballard.

Greg's achievements, I'm sure, are not only due to his great physical abilities but as much to the strength of character he possesses, his fair-mindedness, his intelligence, decency, and unselfishness. It wasn't so long ago that I was in the classroom with

Greg and remember many of these qualities displayed in his actions. He was a most enjoyable student to work with.

For those of us who know or know of Greg Ballard, I'm sure we share a most positive feeling about his accomplishments. My hat is off to this fine individual. For those young people who are aspiring to follow in Greg's footsteps, remember, it takes a heck of a lot more to get where he is than just bouncing a ball or making a basket.

## EXCEPT FOR VICTORIES OVER THE RED DEVILS AND CAVALIERS...

Except for victories over the Pomona Red Devils and the Montclair Cavaliers, Garey's 1979 football season was not very successful measured by the win-loss record.

The Vikings suffered from inexperience and injuries. Most of the team were underclassmen, including many freshmen. These novices will make the 1979 Vikings hard to beat.

The fans felt encouraged by the team's enthusiasm, confidence, and how they handled themselves whether they were winning or losing. Both the fans and the players exemplified Garey's long record of good sportsmanship.

All coaches should be commended for how well they taught the Vikings to play as a team and not as "each man for himself." Instead of the players saying to a team member how dumb a mistake was, they would say, "Hey don't drop your head when we get in there. We'll show them not to mess with the best."

The coaches were very tense throughout each game. The defensive coaches wondered what kind of plays the other team might run. They paced up and down the field asking themselves, "Is it going to be a 32-drive, a 32-straight, an 87-end around, a draw play, or even a quarterback keeper. At the same time, the offensive coach was wondering what plays he should run. All these numbers may sound strange but that's the game of football!

The Viking Varsity Football Team are, bottom row, left to right, Cary Shepard, Kirby Lofton, Glenn Cane, Cecil Dixon, Duncan Tuitau, Tony Richie, Morris Cole, Lamar Hudson, James Farmer, Kenney Walker, and Larry Lane; second row, left to right, Joe Cizbal, Carlos Diaz, Scott Sundin, Robby Thompson, Tony Burnes, Thomas Blythe, Mike Young, Mark Llewellyn, Ross Hutton, Ben Perez, Donald Johnson, Mike Owens, and Coach Cunningham; third row, left to right, Phillip Gonzalez, Bill Rice, Dean Shepard, Jimmy Dewitt, Tim Shaw, Darrell Ford, Woody Newton, Mike Sims, Shon Kincade, Kelsey Maddox, Raymond Muro, Guillermo Vasquez, Erving Houston, Steve Gonzalez, Raymond Castro, and Coach Estrada.

The Garey Soccer Team is, top row, l. to r., Coach Sandhu, Jesus Perez, Robert Navarette, Armando Macias, Javier Orozco, Aurelio Alvarez, Alfonso Reyes, Joe Ramirez; bottom row, l. to r., Jesus Lopez, Dioscuro Macias, Santos Franco, Arturo Reyes, Joe, Abel Quevedo, Ben Perez.

Over the last three years of coaching Coach Sandu says "I found that Soccer as an Sport is becoming very popular at Garey".

The soccer team won the SAL championships two years straight. In 1976-77 the team took second place. This year made the third year in a row they made it to CIF playoffs. Even though they lost in the second round of the playoffs last year, the Soccer Team came up ery strong this year. In the year of 1976-77, they wrapped up a record of 15 wins 4 losses and 3 ties. Last year ( 77-78 ) along with the league championship, they ended up the season with a record of ( 16-2-3 ). This year the Soccer team won third place in the Damine Tourney out of 32 teams. They were Co-champions along with Claremont in the league. This year the team forwarded 101 goals while opponents scored only 11 goals against our team in 23 games. The Soccer team broke the CIF record by scoring 101 goals. They had lots of talented players on their team like Dioscoro Macias and Robert Navarete. Dioscoro Macias set a new record in the CIF in assists by making 50 assists in a single season. He made SAL first team for four years. Dioscoro was elected MVP by the coaches in 1977-78 and 1978-79 in SAL. Robert Navarete, their highest scorer, made 30 goals this season.

## Baseballers are High and In

The 1979 Garey High Varsity Baseball team is one that is capable of winning an S.A.L. title. Sound familiar? Although many of the power hitters from last year are gone, this year's team is going to do it with singles, doubles, and a whole lot of hustle. Many of last year's starters are missing, but they will be replaced by young, determined, and talented sophomores and juniors.

Shane Turner and Johnny Rodriguez figure to play important parts in the team's success this year. Ruben Rodriguez, who moved at the end of the last school year, will be replaced by Shane Turner, a sophomore. "Johnny Rod" as he is known by his teammates and coaches is a junior with a strong arm for a pitcher of his size. He throws hard and was voted as the J.V.'s Most Valuable Player last year.

When Coach Estrada was asked if he thought the team would take the S.A.L. title this year, he replied, "I don't know, we might. We are going to be young, but

our attitude is better than last year." Asked who will give the team the most competition, he answered, "Upland, Damien, and Alta Loma. They have a lot of good players."

When commenting on the hitting, Coach Estrada said that the team was going to have to work for its runs. He also added, "We're going to do a lot of bunting and running. As long as we're aggressive, we'll be all right."

Coach Estrada also commented about his number one pitcher, Aurelio Coronado, as being the best in the league. "Our pitching will be stronger than last year!"

Also returning from last year's pitching staff are Bill Eldridge and Ray Andrzejewski, and with the addition of Johnny Rod, the baseball team will have a strong starting four.

Last year's team missed the C.I.F. Play-off by a single game. This year they will be satisfied with nothing less than a first place finish atop the S.A.L. standings.

A first place SAL tie with Upland was the softball record as the 1979 Saga went to press.. The womens softball team season started unpromisingly with two losses. But the Garey players then followed with an unbroken six win streak. Coach Riley commented, "We have two outstanding pitchers, Shirley Castaneda and Janice Goss. There is a strong defensive unit behind them. I feel that our team should be able to contend for the SAL championship because we have several outstanding players."

# BLACK HISTORY MONTH 1979

"All is fair" was the theme for the 1979 Black History Month. This theme was chosen, because black history is a part of everyone which includes every race.

"All Is Fair" was also the title of the play which was presented at Garey and at other schools in Pomona. This play dealt with today's fast moving world, including interracial marriages and gangs. Modern dance was used to express the ideas and problems of the play.

Other events that were held during Black History Month included fashion pageants, talent shows, and a carnival. The planners and participants of Black History Month expended much hard work and stubborn effort.

Performers, top row, l. to r., D. Green, S. Tate, S. Leatherwood, P. Perrin, E. Scott, R. Renfro, and R. Brown. Bottom row, l. to r., A. Powell, G. Russell, C. Johnson, Mr. Boston, A. Banks, and A. Webb. Below, Angela Powell and Gregg Russell perform an African dance.

*MODERN DANCERS*

## GREETINGS FROM GAREY'S PRINCIPAL- MR. PEDRO GARCIA

High school years are memorable indeed. Many of you will in years to come return to our campus and reminisce about your times here at Garey High School. This yearbook will surely be treasured by you. I am sure in future days you will share your experiences on this campus with new friends and relatives.

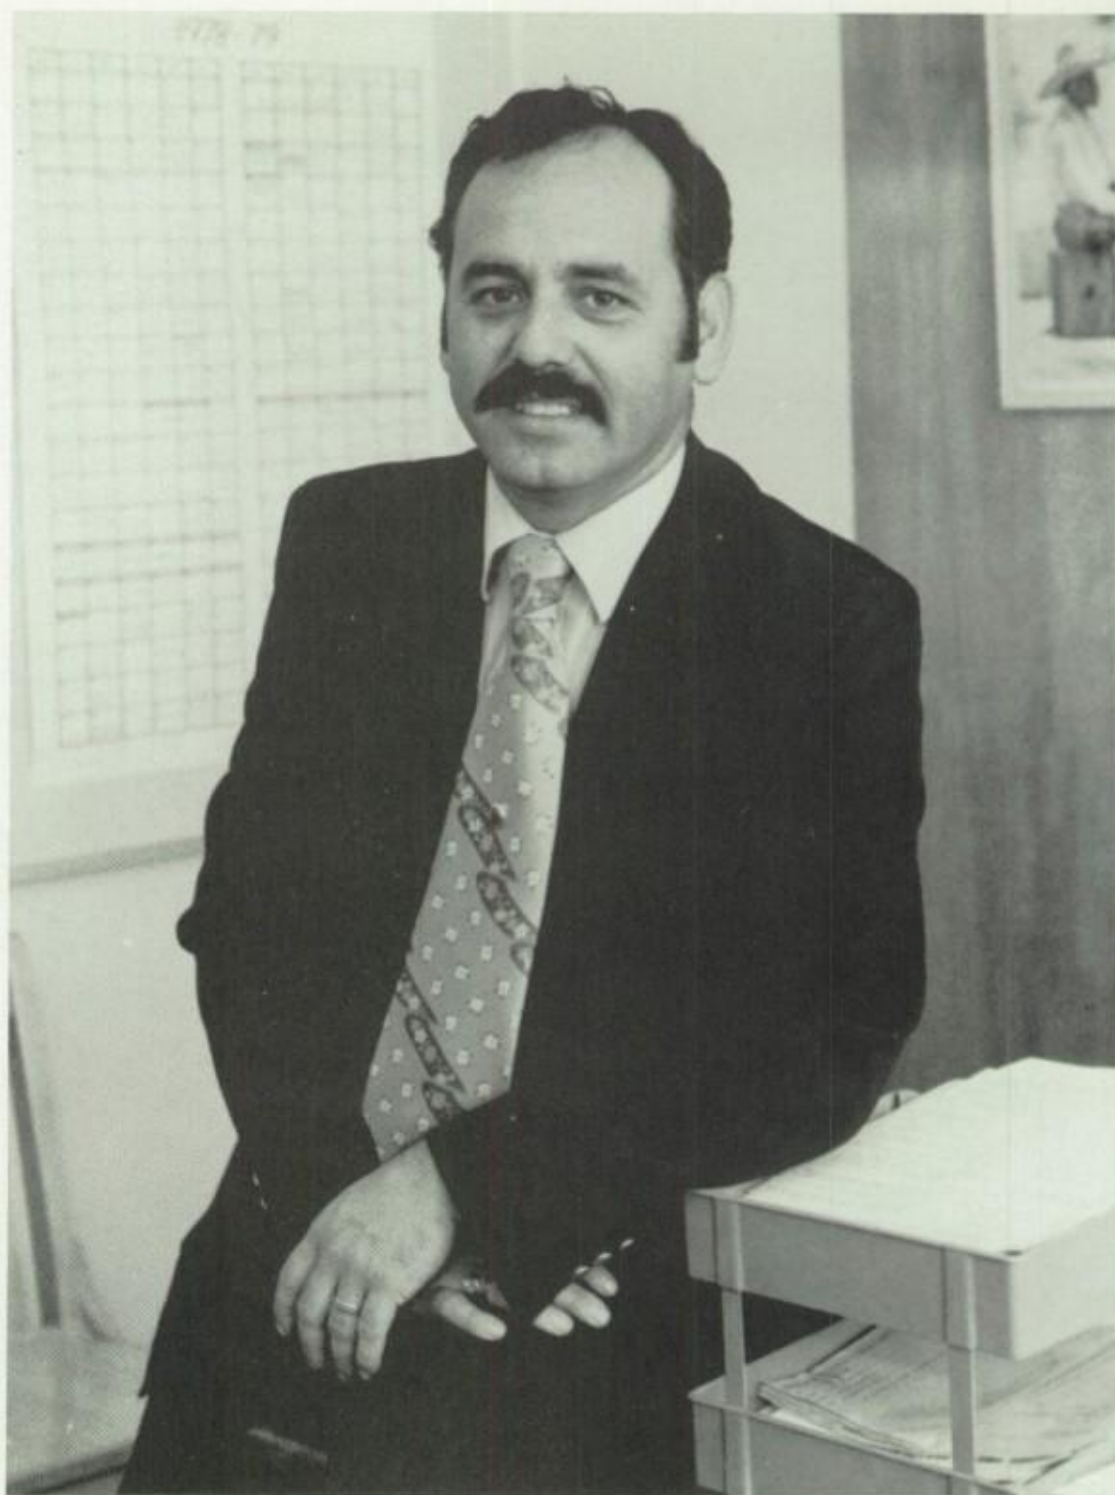

I am glad to be at Garey and to have been a part of your days on the campus. Congratulations to you seniors. I would like to express my appreciation for your cooperation, support, and friendship this past year. To the rest of you, I would like to challenge you to strive for academic excellence and to develop the true spirit of happiness and friendship. Let's make Garey High School the best high school anywhere!

Congratulations and thanks to the yearbook staff and to Mr. Fischbach for all their efforts in creating such a fine yearbook.

To L.H.,

This really hasn't been your year, has it? A lot of unexpected things happened, but I guess everything worked out for the best. Since I am your best friend, and I guess your only friend. I hope you don't mind me telling you that you have the worst luck with dudes out of everybody I know. But since your so cool I guess it's understandable. You and I have a lot of secrets that we share, and maybe that's why we're as close as we are. One thing about you is that you can't face your problems, you always run away and when you get back they're still waiting for you. And you know which one I'm talking about.

I heard about this dude you're in, called the Dog ME [L.H.]. And you really need to be in it. Well I have to run, but I heard that little poem you wrote, it goes like this.

Yo Y Jammy  
a intelligent &  
sentimental &  
lady. It has been  
nice knowing you.  
Friends always  
Love Jackie  
Sims

Go  
Jammy  
a very nice  
sweet and  
intelligent  
lady. I've  
thought you  
are a lot  
stronger and  
braver than  
I am. I've  
a lot of  
problems. I  
have long  
time  
of course  
nothing  
happening  
I would  
like to  
find out  
what's  
going on  
and  
the  
these  
anyway

I hope  
not that  
this  
long as  
tell me  
have  
lives

good  
luck
